

REMARKS

Claims 1 and 17 have been amended to correct a typographical error in which the word "orthogonal" incorrectly appeared as "octagonal". The specification clearly states the description as "orthogonal".

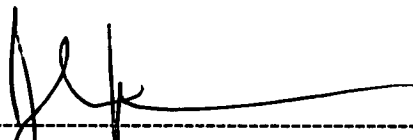

Under Rule 714.16 of the Manual of Patent Examining Procedure, 37 CFR 1.312, an amendment correcting a typographical error may be made without withdrawing the application from issue. According to the Rule, the Examiner has the authority to enter such amendments as it does not change the scope thereof and is merely a correction of a typographical error to claim 16.

If any charges are required, please charge Deposit Account Number 07-1340.

It is respectfully requested that the amendment be entered prior to issuance.

Respectfully submitted,
